About Comvita (www.comvita.com)

Comvita (NZX:CVT) is a global natural health company committed to the development of innovative products, backed by ongoing investment in scientific research. We are the world leaders in Manuka (leptospermum) honey and fresh-picked Olive Leaf Extract, which are at the core of the Comvita product range.

We have approximately 50% of honey supply under direct ownership or control, with the balance of supply from long term contractual and partnership arrangements. Comvita pioneered the development and use of medical grade Manuka honey and was the first to receive FDA approval (2007). We partner with US wound care company Derma Sciences, Inc. (NASDAQ:DSCI), the global licensee for Medihoney® specialist wound care products, which are used in hospitals and medical centres around the world. Comvita's freshly picked Olive Leaf Extract is grown, harvested, extracted and bottled at the world's largest specialised olive leaf grove, with over one million olive trees.

Comvita sells into more than 18 countries through a network of our own branded retail locations, online (nine country specific e-commerce websites) and third-party outlets.
